Donna,

The PEIR does not address or include information concerning IFDs. I'm not aware of the proposed legislation and don't have answers to your questions concerning taxes, tax exclusions, or financial incentives. I'll let you know if we become informed on any of these issues.

Thanks,

Robert,

Is it within your PEIR scope to provide information on proposed Infrastructure Finance District that Jim Whalen, ECRC, Soitec, Hamann Companies and others are supporting for their projects in the Boulevard Planning Area?

Jim told me that new legislation is in play. Previous SB33 would have repealed voter approval for IFD districts.

How much money is the County expecting to receive from Soitec?

What about sales and use tax exclusions and other tax and rate payer funded financial incentives that Soitec will be eligible for?

These are questions I keep hearing.

Thanks!

Donna
